

Dear Friends:

Shawnee County Allied Tribes, Inc. is a non-profit organization made up of volunteer members of various ethnic backgrounds working together to provide services to urban and reservation Native Americans.

This past year our projects have included culture classes in Native American crafts, school and other cultural programs, Native American Education Day for students at the Pow Wow, a yearly Pow Wow for the "Celebration of Life", and education of the general public through participation at the Pow Wow.

Funds raised through the Pow Wow are used to honor all the registered singers, dancers, MCs, Arena Directors, etc. Any remaining funds are used for Allied Tribes projects, and next years' Pow Wow.

If you are interested in joining Shawnee County Allied Tribes and participating in these types of projects, please contact Don Anderson, Secretary, at P.O. Box 750284, Topeka, Kansas 66675-0284. Membership dues are \$15. per year for a family or \$10. per year for a single membership. Our Board and General Meetings are held the second Monday of each month at the Highland Park United Methodist Church, 2914 SE Michigan Avenue (just off 29th Street), Topeka, Kansas. The Board meeting starts at 6:30 pm with the General meeting following at 7:30 pm.

Most sincerely,
