April 9, 2008

Dear Shawnee County Allied Tribes Community Outreach Program,

This letter is sent in regards to the donation of \$400 your program sent to the Prairie Band Potawatomi Early Childhood Education Center.

I want to thank your organization for so generously giving to our program. Our staff used the donation to purchase supplies used in the classrooms to directly benefit the children we serve. Some of the items purchased were craft supplies, toothpaste, baskets for children's lockers, serving utensils for meal times, outdoor activities such as bubbles and kites for the children, cleaning supplies, waste baskets, Easter supplies to support our egg hunt, and batteries.

Our program's budget was cut drastically at the end of 2007 and we very much appreciate the donation to help supplement our funding.

Again, thank you for your generosity and know you have touched the lives of many children on the PBP reservation and the surrounding area.

Sincerely,

Hope Adame  
Director of Early Childhood Programs  
Prairie Band Potawatomi Early Childhood Education Center
