Dear Friends,

On behalf of the Kansas Capital Area Chapter of the American Red Cross we would like to thank you for your generous donation of \$100.00 on March 3, 2008 to support the American Red Cross "Operation Heat Relief" program.

You may be interested to know that we began Operation Heat Relief in 1988 to help people who are at risk of suffering heat-related illnesses because they have no other means of keeping cool during our hot Kansas Summers. Since that time, we have given away more than 4,000 fans to needy families and individuals.

We realize that we couldn't provide this much needed service without the support of caring, compassionate people and organizations. We want you to know that we are grateful to be a part of your concern for the public's welfare. Thank you again for supporting Operation Heat Relief and your American Red Cross.

Sincerely,

Dana Wethington
CEO
